## The color of loyalty

B.R.Goyal Infrastructure Pvt. Ltd. is one of the fastest growing construction companies of India, focusing on infrastructure construction segment including highways, airports, and bridges. Incorporated in 1987, by a group of professionals, we are also suppliers of RMC (ready mix concrete) and have become a pioneer in the ready mixed concrete business in India. B.R.Goyal Infrastructure Pvt. Ltd. primarily manufactures and supplies ready mixed concrete. Besides the Engineering cadre, the Company has a very dedicated and experienced team of skilled laborers and supervisors, who are well versed with techniques and tips of executing asphalt and concrete works with much higher efficiency and specifications. We also have skilled man power with state-of-the-art machinery for the production of quality ready mix concrete. We have sufficient pumping arrangements to place the concrete as desired. We do have experienced technical persons to design the concrete mixes of different grades as required, and control its quality throughout the process.

We are now spreading our network to other locations in India, to serve the requirements of the rapidly growing Indian construction industry. We have vast experience in road constructions and development for last 19 years, and have successfully completed many prestigious projects. We have a very good reputation as a quality RMC supplier for committed quantity with in time schedule.

The Group now has put its best foot forward into real estate. Providing perfect living and commercial options is what is the next step towards making our society a better place to live in, that is the vision that the Group now lives with.

## The color of life

Life – a most precious gift of GOD, while home - a place where we stay and spend our LIFE with our loved ones. Home is certainly a place which makes our lives more complete and worth- living. After a long-tiring day, a home should welcome you to come back and retire in a most peaceful way.

The essence of life has been indeed bought to life at BRG- Shangri-La . The environment, the surrounding and everything has been made just to make you FEEL AT HOME.

# The color of class

The color of class is the color of self-esteem as well as life-style. Class gives richness to thoughts as well as expression.

A class has been provided to the row-houses at BRG Shangri-La, so that it makes you stand apart from the crowd and ensures you feel proud of what you own to spend your life-time. The interiors and exteriors of BRG Shangri-La row-houses have been thoughtfully crafted to give a residence owner, a feeling of class.

# The color of perfection

Perfection is what we aspire in our dream home. Rather, we believe, anything and everything should be an evidence of perfection. It is important that the bedroom, the drawing, the kitchen, the garden, the stair-case, the parking etc. should be rightly planned with a perfect layout so that it brings the level of comfort and makes life easy to live. At BRG Shangri-La, the layout of each row-house has been put together to ensure perfection.
